Holidays

Head home with ease this holiday season. With the CASE LOGIC 22" LIGHTWEIGHT EXPANDABLE UPRIGHT ROLLER, you don't have to worry about long lines at the airport to check your luggage. The upright complies with global airline carry-on regulations. Also with a removable security friendly laptop sleeve (capable of storing most 15" to 16" notebooks), there's no need to remove your laptop during the TSA screening process at U.S. airports. Other features include in-line skate wheels, an organization system to store magazines, portable electronics and travel accessories, and a side water bottle pocket. www.casellogic.com

Make traveling with the family a bit more fun. The COBY TFDVD7379 7" PORTABLE DVD PLAYER plays DivX and digital audio, video, and photo files directly from USB drives and SD memory cards. Its compact design features a swivel screen with 180-degree rotation. It includes outputs for use with home theater systems, along with headphone jacks for private listening. www.cobyusa.com
